# 2026 Commercial Artificial Plant *Catalog*

Premium faux botanicals for hotels, restaurants, offices and retail.

Factory-direct from our workshop · 15 years of craft · Fire-retardant options · Low MOQ

## Why buyers work with us

Verdform manufactures premium artificial plants and trees for commercial spaces. Every piece ships factory-direct — no trading-company markup — with consistent quality across repeat orders and multi-location projects.

### **Factory-Direct Pricing**

You buy from the source. Volume tiers available on every item — request a quote for project pricing.

### **Fire-Retardant Options**

FR-grade foliage available on request for hotels, restaurants and public spaces with compliance requirements.

### **Commercial-Grade Materials**

High-density PE foliage, natural-wood trunks, gradient color grading. Built for 5–8 years of indoor use.

### **Low MOQ & Customization**

Small minimums for first orders. Custom heights, planters and foliage density for design projects.

**How to order:** send us the item numbers (VF-xxx) with quantities via email or WhatsApp, and we reply within 24 hours with a project quote and lead time.
